

# CATS Logo Sportswear

You provide your own article of clothing, tote bag, blanket, etc.  
(Something with 1 contrast color is good, something with 2 contrast colors is ideal!)

Embroidery is done using 2 different colors. Our embroidery professionals are masters at selecting colors to match and contrast with your clothing. However, if you prefer you can specify the colors.

Embroidery on clothing is placed over the "heart" on the left side of the chest.

Your name or your dog's name can be stitched under the embroidery for an additional charge.
