Then - There are also brown signs at the West Street exit ramps for Wheelock Park. Follow Park Avenue toward the right when West Street veers off to the left (this is just after the turn onto West Street). The entrance to the park is on the right just after the flashing yellow light and immediately after Plotkins Furniture.

After you enter Wheelock Park, you will see a large athletic field to your left with agility rings. You can continue straight and there is a large paved parking lot or you can turn to the left before the field and there is parking behind the field.

If you are going to the Wheelock Campground, you should continue straight ahead after you made the first turn to enter the park. Campground guests will check in at the campground office.

If you want to go to the CATS' RV area, take the left before the field and then look for the sign that says "RVs Register Here". Campers using the gravel lot (not the campground) must check in with a CATS' member.
