

LEGEND For small silver CATS tent used at events
Tent is viewed from above.

Parts stored in yellow plastic box.

3-way connector

4-way connector

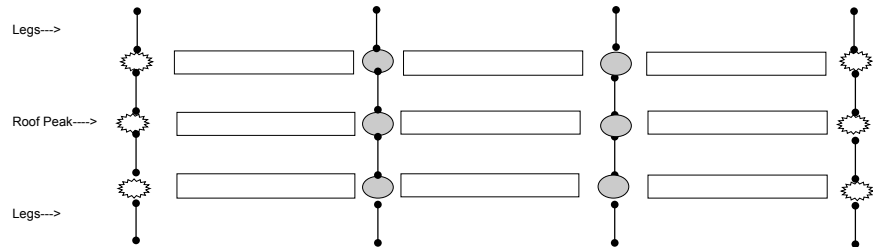

16 short poles

9 long poles

Please note there is one long pole that was cut short by accident.
It should be lengthened by adding the two very short lengths to it. The two short pieces are kept in the yellow box.
The long poles are oriented parallel to the ground and formed the roof.
