Note: ONLY 1 USDAA Broad jump

*There is one additional unassigned 15 ft tunnel (CATS has a total of five 15' tunnels). If either judge needs more than two 15' tunnels for any course design, please let us know so the proper # of tunnels can be packed.

Once courses have been reviewed and accepted by USDAA, it would be greatly appreciated if the judges would send to us their final count of tunnels, stick and wing jumps so the packing list for the truck can be made up in advance.
